

*Do you enjoy helping children?*

*Do you love seeing children's faces  
light up when they understand new  
concepts?*

If you answered - "YES" - then Sand Pine Elementary School has a wonderful opportunity for you! In connection with our school's Continuous Improvement Plan, we are working to increase parent involvement in Math by having Math Mentors for students that need that extra bit of practice and encouragement!!!

Many feel inadequate to help with math, but we at Sand Pine are here to provide tools to assist with this task. If you are interested, please return the bottom portion of this letter to your child's teacher and you'll be contacted regarding how you might help our wonderful students in their math success.
